Chicago Theological Seminary Advent Lectionary Workshop September 28, 2010

“Purple Preaching When Its Beginning to Look A lot Like Christmas”

Most preachers have struggled to present the rich theological themes of Advent while doling out enough Christmas carols to keep restive congregations at bay. What's at stake in the annual battle for the soul of Advent? Is Advent worth the struggle? This workshop will include lecture and discussion, exploring Biblical texts, classical prayers, and hymns ancient and modern in order to stake out space for the wild prophets, strange visions, and powerful hopes that inhabit this purple season.
